

The Coming

The vision is real. God's promise to come and His symbol of the flaming sword portend a time of tremendous crisis for the earth. I believe that since He gave me the vision, that I will be here to see Him keep His Word.

He is coming.

Many "Christians" will abandon the faith. Many will be deceived. Most will believe that the "aliens" are God. The Universal Church will declare that the aliens are God, and all Christians will be persecuted for refusing to follow the Satanic lie that will be poured out upon mankind.

Here is the lie: That a brilliant being is the father of the aliens, and that the Aliens are here to help mankind quickly "evolve" into higher life forms.

Many learned men of God teach that Christians will be whisked away from the earth as God strikes the population in His great fury. And it is possible. It is possible.

But in Noah's day, according to the Book of Jasher, the men who believed God as Noah believed all died before the flood. God did not want them to see the evil that was coming upon the earth.

[The Book of Jasher](#) is not in the Bible, nor is it considered worthy of being in the Holy Bible.

The Book of Jasher (The Book of The Upright) is an ancient history book that is quoted in both the Old Testament and in the New Testament. There is a wealth of detail on Jasher, and part of that is the disposition of Godly men in Noah's time.

If it is accurate, and I suppose it is mostly accurate, then we might expect to die during the Tribulation. Not be killed, but to simply die.

Death is a glorious event for he who follows Christ. We simply move from this realm into the realm of the Holy Ones. We will love the experience.

If you are unsaved, The Lord God will accept you regardless of your sins. Trust me. King David had his best friend killed because David had impregnated his friend's wife. Adultery and murder. And the baby died!

But God calls David "a man after God's own heart" because David did and does truly love God.

You can, too. You are exactly the kind of person He wants to see redeemed. All you have to do is seek Him. Ask Him to forgive you and follow Him. Confess your faith before other people (public confession of faith) and be baptized.

Baptism is NOT required for salvation, but Jesus did it and you are no better than He.

Will you do it? Will you take the finest step you can take in this human lifetime? Will you accept Jesus Christ as your Lord and Savior right now?

This Testimony true. Jesus Christ is Lord. He died on the cross and rose from the grave.

He calls you, and His sword is coming.
